

Harvesting careers with meaningful work.

Planting Possibilities is a provider of Vocational Rehabilitation services through which we help adults with disabilities find jobs in community based businesses.

We are a "Waiver Provider", meaning that we provide job coaching, job skills training, and follow-along services through the Medicaid Waiver program funded by the Indiana Bureau of Developmental Services (BDDS). Seeding Success is a waiver funded program.

Planting Possibilities also operates our own lawn mowing service that provides part-time employment to young people with autism.

We are CARF Accredited for community employment services, job development and community integration.

Our Inspiration

Think about the personal satisfaction you feel when you're part of a job well done.

Adults with autism and other developmental disabilities enjoy that same sense of pride and accomplishment.

However, two-thirds of adults with disabilities are unemployed, even in a strong economy.

Planting Possibilities provides a nurturing environment where adults with autism and other developmental disabilities can work toward their own goals of building fulfilling lives through meaningful work.

cultivating unique experiences

Seeding Success begins Summer and Fall 2024

Our new pre-vocational training program will be based at Crossroad YMCA's Camp Triangle Hills in Crown Point, Indiana. This program will teach general job skills in a horticulture setting. Learned skills can be generalized to any job setting.

Seeding Success will be offered 5 days a week, although clients may attend as many days per week as their budget allows.

This program qualifies as a Waiver funded prevocational training service. Private pay clients are also welcome.

Skill Building with Seeding Success

The ability to communicate effectively with supervisor, co-workers, and customers.

Generally accepted community workplace conduct and dress.

Ability to follow directions.

Ability to attend to tasks

Workplace problem solving skills and strategies.

General workplace safety and mobility training.
